Government of Mysore.

Sir,

I have the honor to state that the 3rd class Travellers' Bungalow at Srinivaspur possesses an extensive compound. The soil being fertile and adapted for the growth of fruit bearing trees, I would propose to plant therein some grafted mango plants.

2. On a reference made to the Inspector General of Forests to sanction a sum of Rs 50/ for the purpose from the Forest Funds, that officer states in his Docket No. 1530/75 dated 14th instant (a copy herein enclosed) that charges of this nature may be met from the District Funds. I therefore request that you will be good enough to obtain the sanction of Government to place a sum of Rs 50 at my disposal to purchase the required number of grafted mango plants for putting them in the compounds of the said

His docket 1097 dated the 14th instant.—

With reference to para 2 of the above, have the honor to enquire how the Travellers Bungalows compound at Sriniwaspur is practically a forest plantation. From the Deputy Amildar's report No 72 dated 3rd August last, it is however observed that no compound was sown with horse gram and that

that a sum of Rupees 15.10.4 has been realised therefrom which he proposes to be utilised for the purchase of grafted mango plants to be put down in the Compound. In this case it is presumed that all such charges should be met from District funds. —

The file received with the above is returned. —
